The 27th Annual FACES Conference

March 19-24, 2014
Hyatt Escala Lodge, Park City, Utah

Course Directors:
Brian B. Farrell, DDS, MD
Carolina Center for Oral and Maxillofacial Surgery
Private Practice and Director of Fellowship Program
Charlotte, North Carolina

R. Bryan Bell, MD, DDS, FACS
Medical Director
Oral, Head and Neck Cancer Program and Clinic
Providence Cancer Center
Providence Portland Medical Center
Attending Surgeon
Trauma Service/Oral and Maxillofacial Surgery Service
Legacy Emanuel Medical Center
Affiliate Professor
Oregon Health & Science University
Head and Neck Surgical Associates
Portland, Oregon

A Continuing Medical and Dental Education Activity Sponsored By

Pfiedler Enterprises
LSUHealth
Continuing Dental Education
Agenda:

Wednesday, March 19
6:30 pm  Welcome Reception
Hyatt Escala Lodge

Thursday, March 20
ORTHODONTICS/ORTHOGNATHIC SURGERY
7:00 – 9:00 am  Comprehensive Management of Patients with Cleft Lip and Palate
Pradip Shetye, DDS
9:00 – 4:00 pm  Break
4:00 – 6:00 pm  Role of Distraction Osteogenesis in the Management of Patients Born with Craniofacial Mircosomia and Syndromic Craniosynostosis
Pradip Shetye, DDS
6:00 pm  Adjourn

Friday, March 21
DENTAL EDUCATION/SURGERY
7:00 – 9:00 am  An Update on Anti-Osteoclastic Drugs and How They Impact Craniomaxillofacial Surgical Care
Leon A. Assael, DMD
9:00 – 4:00 pm  Break
4:00 – 6:00 pm  The Future of Oral and Maxillofacial Surgery: Why an Anesthesia/Implant Based on Model Will Fail and How the Specialty Can Succeed
Leon A. Assael, DMD
6:00 pm  Adjourn

Saturday, March 22
IMPLANTOLOGY
7:00 – 11:00 am  Treatment Approaches to Optimize Dental Implant Esthetics
Craig M. Misch, DDS, MDS
11:00 – 6:00 pm  Break
6:00 – 9:00 pm  Group Dinner

Sunday, March 23
ORAL AND MAXILLOFACIAL SURGERY/CARDIOLOGY-LIFESTYLE
7:00 – 9:00 am  Transoral Non-Endoscopic Subcondylar Fracture Repair
Mark Engelstad, DDS, MD, MHI
9:00 – 11:00 am  Cardiology/Lifestyle
James G. Beckerman, MD
11:00 – 4:00 pm  Break
4:00 – 6:00 pm  Fireside Chats
Drs. Assael, Bell, Engelstad, Farrell
6:00 pm  Adjourn

Monday, March 24
INVITED ABSTRACTS
7:00 – 9:00 am  Residents/Fellows/Invited Attendee Presentations
9:00 – 10:00 am  Oral Cancer: An Update on Changing Demographics and Future Horizons
R. Bryan Bell, MD, DDS, FACS
10:00 – 11:00 am  Orthognathic Surgery
Brian B. Farrell, MD, DDS
12:00 pm  Credit Forms/Evaluations/Adjourn
Course Overview:
The focus of this conference is on advancements in craniofacial surgery and education. It will cover current issues in surgical-orthodontics, reconstruction and cosmetic treatment. Faculty will address virtual orthognathic surgery planning; changes in dental education and the future of the specialty; the latest in implantology and prosthetic rehabilitation; healthy living lifestyle for the whole family; and fireside chats to discuss challenging cases and best practices. The schedule allows for interaction between the faculty and participants in an effort to engage in dialogue that will be productive and ultimately improve the care of patients.

Target Audience:
This conference is designed for specialists in oral and maxillofacial surgery who are interested in the advancements in the field and who are interested in sharing experiences in a highly interactive setting.

Assessment of Need:
The attendees at the past several conferences indicated they had gained new information which can be incorporated into their practice. They have expressed the need for updates in the field of orthodontics and orthognathic surgery, reconstructive surgery and implantology. Changes in dental education and the specialty create the need to be updated and stay abreast of the trends. Research and continued advancements in the field of reconstruction and restorative surgery are essential for the oral maxillofacial specialist.

Professional Practice Gaps:
The specialist in oral maxillofacial surgery has a knowledge gap related to the trends in dental education; practice related to advancements in oral and craniofacial reconstruction techniques; competence related to optimizing dental implant esthetics; knowledge regarding anti-osteoclastic drugs and their impact on patient care; and transoral non-endoscopic subcondylar fracture repair.

Methodology-Format:
Each session is structured to invite informal discussion of the issues surrounding the topic being presented. Participants are invited to bring cases for discussion during the fireside chat. Residents will present abstracts and invite discussion. A course syllabus will provide materials for future reference. The purpose of this conference is to have all attendees engage in discussion and debate of the issues.

Objectives:
Upon completion of this conference, the attendee should be able to:
1. Discuss the management of the cleft lip and palate patient.
2. Explain the role of distraction osteogenesis in managing patients with craniofacial microsomia and syndromic craniosynostosis.
4. Differentiate approaches to dental implant esthetics.
5. Describe the transoral non-endoscopic subcondylar fracture repair.
6. Assess your lifestyle as it relates to healthy living.
7. Discuss the changes in demographics and the future horizons in oral cancer treatment.

Americans with Disability Act (ADA Statement):
Pfiedler Enterprises will be glad to assist you with any special needs (i.e., physical, dietary, etc.). Please contact Pfiedler Enterprises at 720-748-6144.

Declaration of Disclosure for Pfiedler Enterprises:
In compliance with the ACCME Standards for Commercial Support, Pfiedler Enterprises provides disclosure and resolution of conflict information for individuals who may control the content of this CME activity. Please visit our website at: www.pfiedlerenterprises.com/disclosure

AdvaMed Code of Ethics:
This course complies with the “Revised and Restated AdvaMed Code of Ethics” effective July 1, 2009. The educational meeting and associated hospitality events are intended solely for the registered attendees and faculty. Therefore, guests/spouses and other healthcare professionals are not allowed to attend. We appreciate cooperation with these guidelines.
Physician Accreditation:
Pfiedler Enterprises is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation:
Pfiedler Enterprises designates this live activity for a maximum of 22 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ADA CERP Recognized Provider:
LSU Health Continuing Dental Education is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP neither approves nor endorses individual courses or instructors nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/goto/cerp.

LSU Health Continuing Dental Education designates this activity for a maximum 22 hours of clinical CDE credit.

New Knowledge Related to Dental Practice:
Dental educational institutions have an obligation to disseminate new knowledge related to dental practice. In so doing, some presentations may include controversial materials or commercial references. Participants are cautioned about the potential risks of using limited knowledge when incorporating techniques and procedures into their practices, especially when the course has not provided them with supervised clinical experience in the technique or procedure to ensure that they have attained competence. Sponsorship or partial sponsorship of a continuing education course by LSU Health Continuing Dental Education does not necessarily imply endorsement of a particular philosophy, procedure or product. CE Credit awarded for participation in this course may not apply toward license renewal in all states. It is the responsibility of each participant to verify the requirements of his or her state licensing board.

Educational Grants:
This course is supported by educational grants, in accordance with the ACCME Standards.

Platinum Level Sponsor: Stryker
Silver Level Sponsor: KLS Martin
Bronze Level Sponsor: Medical Modeling and Biohorizons
Contributor Level Sponsor: Dolphin Imaging & Management Solutions

Course Location:
Hyatt Escala Lodge
